doing our best with the gifts He gave us to make the world a better place.*

St Peter's Catholic Primary School

**Primary School Sports Funding Statement
2017-2018**

September 2017

Review date: September 2018

Introduction

At St Peter's Catholic Primary School we recognise the contribution of PE to the health and well-being of the children. In addition, we know that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

Primary School's Sports Funding

Click [here](#) for the Department of Education link to the Primary School's Sports Funding page.

What is the Sports Premium?

The government has provided substantial for the academic years from 2013/14. For 2017/18 this funding has been doubled compared with the previous year. The funding goes directly to primary schools to spend on improving the quality of sport and PE for all their children. Each school will receive £16,000 plus an extra £10 per pupil in Years 1 to 6 for the academic year – this means here at St Peter's Catholic Primary School we receive £19770 for the academic year 2017/18. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. The governors of St Peter's Catholic Primary School agree that the money must be used so that all children benefit regardless of their sporting ability. To that end, the use of the primary school sports funding is distributed across:

- curriculum PE improvement through staff training,
- high quality after school sports clubs,
- lunchtime play improvements to increase activity for all,
- inter-school competition.

Sustaining the investments

The use of the money is directed towards the purchase and proper storage of quality physical activity resources so that the benefits of investment can be sustained over several years. The largest area of investment in 2017-2018 is in the employment of a specialist PE teacher who, as well as delivering the highest quality of PE provision within the curriculum, is also able to disseminate best practice in PE to non-specialist primary teaching colleagues to ensure the benefits of the spending are maintained across the school and over coming years. Another large investment includes the information screens located in the North playground of the school and Office area, which endeavour to promote healthy lifestyle practices to both children and families. In addition, larger investments will be made to hire external providers for the school's Physical Education lessons. As a result, this will promote children's engagement in a variety of sports activities and the learning of valuable life skills. Aside of this significant investment, much of the other spending is done in small amounts, where alternative funding plans can be made to continue these initiatives and activities in future year if current funding streams come to an end.

2017-2018 Key Actions and Intended Impact

Action	Intended Impact
<p>Appointment of designated PE teacher to work as our sports coach for 2 days a week.</p> <p>(£6545 as part of overall salary)</p>	<p>PE teaching to take place at a higher level</p> <p>Introduction into the curriculum of new sports / sports taught to a higher level, such as gymnastics, ultimate Frisbee.</p> <p>New extra-curricular sports provision.</p>
<p>Continuing subscriptions to Havant School Sports partnership with associated support. Year 1 dance

Year 2 dance, racket sports

Year 3 badminton, gymnastics, tag-rugby

Year 4 Tri-golf

Year 5 indoor athletics, badminton
 Year 6 superstars, Tri-golf

Summer term 2017 sports
 Year R Quadkids (short form style athletics)
 Year 1 tag-rugby, ball skills
 Year 2 Quadkids (short form style athletics)
 Year 3 Quadkids (short form style athletics), tri-golf
 Year 4 tennis, orienteering
 Year 5 Quadkids (short form style athletics)
 Year 6 tennis, girls' football

Impact from funding 2015-2016

Action	Impact
Swimming teacher training for PE leader / HLTA	In house expertise to teach swimming in this and future years; enabled more reasonable long term costs to swimming teaching to ensure we can sustain swimming teaching
Support from Hampshire and AfPE to improve gym and dance curriculum	A progression of PE lessons will be in place for all year groups in dance and gym.
Support and training for new PE leader by attending PE workshops and new PE coordinator training from Hampshire.	PE leader will be in a position to support colleagues, monitor planning and teaching of PE and ensure high standards are maintained in all year groups.
Training for teachers and MDSA team in using online workouts program	Ensure all teachers are able to use the online workouts, to enable them to focus on the quality teaching of PE rather than worrying about planning a sequence etc.
Skip2Bfit day	Continue high profile of skipping as an easy warm up activity that teachers are confident to use.
Continuing subscriptions to Havant School Sports partnership with associated support.	Silver School Games Award has been achieved two years running.
Assessment of PE training and support for teachers to teach gym and dance.	All teachers use the NC statements and break down the skills involved in PE to accurately assess the children in PE in gym and dance.
